NURSETEC SA (PTY) LTD

Registration Number: L280790298

(Private Body)

MANUAL

in terms of

Section 51

Of

The Promotion of Access to Information Act 2/2000

(the “ACT”)

1. INTRODUCTION

The Promotion of Access to Information Act came into operation on 9 March 2001, in support of Section 32 of the Constitution, stating that, everyone has the right to access any information held by another person that is required for the exercise or the protection of any rights.

Nursetec SA, founded in 2015, is a profound role player in the Medical Field. The Company is a Temporary Employment Service Provider and specialise in the placement, of Nursing and Non-Nursing personnel, of high quality, at its Clients nationwide. Nursetec SA strives to deliver an excellent service to its Clients – both the Hospital(s) and placed Assignees.

2. PURPOSE

- To check the categories of records held by a body which are available without a person having to submit a formal PAIA request
- Have a sufficient understanding of how to make a request for access to a record of the body, by providing a description of the subjects on which the body holds records and the categories of records held on each subject
- know the description of the records of the body which are available in accordance with any other legislation
- Access all the relevant contact details of the Information Officer and Deputy Information Officer who will assist the public with the records they intend to access
- Know the description of the guide on how to use PAIA, as updated by the Regulator and how to obtain access to it
- Know if the body will process personal information, the purpose of processing of personal information and the description of the categories of data subjects and if the information or categories of information relates thereto
- Know the description of the categories of data subjects and of the information or categories of information relating thereto
- Know the recipients or categories of recipients to whom the personal information may be supplied
- Know if the body has planned to transfer or process personal information outside the Republic of South Africa and the recipients or categories of recipients to whom the personal information may be supplied; and
- Know whether the body has appropriate security measures to ensure the confidentiality, integrity and availability of the personal information which is to be processed.

3. SCOPE

All people in South Africa, including non-nationals, can request information

10 COLLECTION OF PERSONAL INFORMATION

Nursetec will not utilise any information that is collected for a purpose other than the reason it was collected for.

The reason(s) why Nursetec will collect, process and share data subject information, can include, though is not limited to, seeking placement opportunities for the applicant, representation of either the Company or the Employee, or when legally required to do so, under more.

10.1 Information on data subjects which will be processed:

Data Subjects	Personal Information that may be processed
Customers / Clients	name, address, registration numbers or identity numbers, employment relation and bank details
Service Providers	names, registration number, vat numbers, address, trade secrets and bank details
Employees	name, address, Permit/Passport/Visa or identity numbers, employment status, information declared on the EEA1, Information Completed on Employment Applications (subject to change by the data subject), criminal check status, vaccination status, bank details, and details of the Employee's next of Kin

* *Under more*

10.2 Recipients with whom personal information will be shared:

Category of personal information	Recipients or Categories of Recipients to whom the personal information may be supplied
Identity number and names, for criminal checks	South African Police Services
Qualifications, for qualification verifications	South African Qualifications Authority
Credit and payment history, for credit information	Credit Bureaus
Information relating to Employment, for Employment History verification	Previous Employer(s)
name, address, Permit/Passport/Visa or identity numbers, employment status, information declared on the EEA1, Information declared on Employment Application (subject to amendment by data subject),	Prospective and Existing Company Clients

Category of personal information	Recipients or Categories of Recipients to whom the personal information may be supplied
criminal check status, vaccination status, bank details, and details of the Employee's next of Kin, in seeking placement opportunities, or for Employee representation	
name, address, Permit/Passport/Visa or identity numbers, employment status, information declared on the EEA1, Information declared on Employment application (subject to amendment by data subject), criminal check status, vaccination status, bank details, and details of the Employee's next of Kin, for Company representation, or Compliance	Company Service Provider(s)

11 SECURITY MEASURES TO BE IMPLEMENTED BY THE RESPONSIBLE PARTY, TO ENSURE CONFIDENTIALITY, INTERGRITY AND AVAILABILITY OF INFORMATION

- Electronic data gets backed up, and stored off-site, where the Service Provider has key safeguards in place – which include malware, anti-virus software, firewall, and data recovery programs, under more
- Assignee payroll system, which contains personal information, has different access levels, based on job description, allowing the Employee access only to information, which they require to perform occupational duties
- Furthermore, Assignee Payroll system has authentic usernames and passwords, to not only manage Employee level of access, but also allows the program to identify the user activity, at any given time
- Other Company records gets stored on a Cloud Server, categorised per Company department, which has restricted access, through Employee username and password
- In the event that, there is a need for hardcopies to be retained, they are safeguarded ergonomically, through locked cabinets or secure storage spaces
- Company network gets protected by anti-virus and malware program(s)
- Standard operating procedure, in terms of the sharing of personal information, on Company operated Media, Platforms, or the Company Website, in an unsecure environment/space, will not be processed
- In order to ensure authenticity, all requests, to bring about changes to personal information, must be done in writing (on the identified Company created form) and relevant supporting evidence and a copy of the data subjects' ID must accompany the request
- No changes will be made to the personal information of a data subject, if authenticity cannot be verified

12 AVAILABILITY OF THE MANUAL

A copy of the Manual is available;

- On the Company Website (www.nursetecsa.co.za)
- Regional Offices for Inspection, during normal business hours
- To any person upon request and upon the payment of a reasonable prescribed fee; and
- To the Information Regulator upon request.

A fee for a copy of the Manual, as contemplated in annexure B of the Regulations, shall be payable per each A4-size photocopy made.
